

ADVANCE
TECHNICAL SALES Inc

www.advancetechnical.com

<http://www.meas-spec.com>

Sensor Solutions - Global designer and manufacturer of sensors and sensor-based systems offering custom designs for OEM Applications. Force, Humidity, Temperature, Pressure, Torque, Vibration, Fluid Property and PiezoFilm Sensors.

[Http://www.nationalcontrols.com](http://www.nationalcontrols.com)

Oven & Refrigeration Controller Systems - Food service OEM controls: Cooking/Platforms, Holding/Staging Devices, Refrigeration/Ice, Beverage Dispensing.

[Http://www.synapse-wireless.com](http://www.synapse-wireless.com)

Intelligent Wireless Control and Monitoring - Wireless solutions based on SNAP software, ZIGBEE compliant, with 2.4GHz, 915MHz, and 868MHz modules. DMX and SNAP Cloud Lighting Control, RS232/RS485 SNAPLink modules and Embedded Linux E10 Internet Connectivity. Engineering support for custom applications.

Electronic Packaging Solutions - ball bearing, solid bearing and bottom mount slides. Cabinets & Racks with custom metal fabrication capabilities.

[Http://www.wilsonhurdelectronics.com](http://www.wilsonhurdelectronics.com)

Custom Keypads, overlays and Front Panel Solutions - Engineered solutions for Electronic Control Products: membrane switches, elastomeric, metal and plastic keypads, capacitive touch switches and PiezoPanels.

[Http://www.tenergy.com](http://www.tenergy.com)

Intelligent Battery Power Solutions - Battery solutions for medical, consumer electronics, handheld computing, battery backup, power storage, data management, motive, transportation, and military. Technologies in Nickel Metal Hydride, Nickel Cadmium, Lithium Ion, Lithium Ion Polymer and Lithium Iron Phosphate.

[Http://www.glthome.com](http://www.glthome.com)

LCD Backlighting & High-Efficiency LED-based Lighting - High-efficiency, cost-effective Back Lighting Units (BLUs) tailored to the requirements of your LCD backlighting application – from mobile phones to MP3 players, handheld devices to desktop phones, laptop computers

1201 S. Sherman, Suite 201 Richardson, TX 75081
Phone 214 340-1300, Fax 214 340-5598

Vulcan Electric Heaters - Silicone and Polyimide Flexible heaters, Strip heaters, Cartridge heaters, Immersion heaters, Flow through and Duct heaters. We offer a full range of services to help you design, manufacture and implement the appropriate solution for your application

Vulcan

[Http://vulcanelectric.com](http://vulcanelectric.com)

Vulcan Flexible Circuits – Flexible Circuits, a full range of state-of-the-art products to address all of your flexible circuit interconnect needs, single sided, sculpted, Double-Sided, Multi-Layer and Rigid-Flex.

Flat Panel Displays - solutions, include optical bonding services, LCD brightness/readability enhancements and JIT programs. Touch Solutions – capacitive, surface capacitive, projected capacitance and IR touch.

LOGIC
AMERICAS

[Http://www.logictechno.com](http://www.logictechno.com)

Character & Graphic displays, TFT, OLED and Monochrome - capacitive and resistive touch panels, embedded microcomputer boards, single board computers as well as display interface, driver, adapter boards and high temperature options

VFD Displays High readability: Graphic, Character, and Message options. LCD replacements, Show & Tell Modules. Operating temperature -40 to +85C.

Noritake Co., Inc.

VCC

[Http://www.vcc-lite.com](http://www.vcc-lite.com)

Innovative LED Indication Solutions - High-performance, innovative LED indication solutions. Litepipes, Panel Lenses, Panel mounts & clips, pc circuit mounts, LEDs and custom designs.

**RP RADIUS
POWER**

[Http://www.radiuspower.com](http://www.radiuspower.com)

EMI Filter Solutions - EMI/ EMC / AC / DC/ Power Line / Single, Three Phase, Military EMI Filters, Telecom EMI Filters and Inverter EMI filters. Standard and custom EMI Filters are offered for applications including Mil-Std-461, DO-160, Tempest, Aerospace as well as land-based, shipboard and airborne environments.
